**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have found the large internet providers to offer terrible service and a lack of response to customers. This market will only succeed with competition. Please do not allow further shrinkage of the market. The big companies should have to compete with everyone else.
